The Georgia Board of Health Care Workforce is excited to announce the **2020 Georgia Practice Opportunity Day!!**

On November 18, we will host a statewide event with resident physicians from several Georgia-based GME programs and exhibitors recruiting for positions at hospitals, clinics, and practices from every corner of the Peach State. This event **will not** have an in-person component, due to restrictions for COVID-19.

The format of the event will be slightly different than the fairs from previous years (since we are moving into a virtual space for 2020). Preregistration for exhibitors will begin about two months before the event and is required to be included in the program booklet published for residents. Invited exhibitor participants are any clinic, practice, hospital, or health system recruiting for practice opportunities in Georgia.

There is a small fee for exhibitors to participate, but we are **waiving** that fee for 2020!

Exhibitors are **encouraged** to provide up to three door prizes with a value not to exceed \$50 for each prize and ideally something small that can be mailed easily (for reference, door prizes from events in previous years have included Starbucks or Amazon gift cards). These door prizes play an important role in incentivizing resident physicians to attend, especially since there are no in-person activities. The GBHCW will notify exhibitors of door prize winners, and exhibitors can then mail their prize(s) to the corresponding winner(s).

Exhibitors who register for the event must also send a one-page flyer with information about your organization to the GBHCW- preferably, as a PDF file. This flyer will accompany your organization's page in the booklet we provide to residents.

Exhibitors must be recruiting for practice opportunities located exclusively in Georgia and cannot be for-profit recruiters or recruitment companies. GBHCW reserves the right to refuse participation to any registrant who violates these guidelines.

If you have any **questions** regarding the 2020 Georgia Practice Opportunity Day, please contact Mr. Daniel Dorsey with the GBHCW by phone at 404-709-1855 or by email at [ddorsey1@dch.ga.gov](mailto:ddorsey1@dch.ga.gov).
