

The Georgia Board of Health Care Workforce manages a state initiative aimed at aiding Physicians in repaying their educational loans acquired during medical school. The Physicians Educational Loan Repayment Program (GPELRP) offers loans of up to \$150,000 over four years that can be canceled through service, provided that the recipient provides direct patient care in underserved rural areas of Georgia with populations of 50,000 or fewer. Contracts are awarded for a four-year term. The program is financially supported by the State of Georgia. For program details, please refer to the chart below.
