## MEMORANDUM

To: Practice Opportunity Fair Exhibitors

From: Daniel R. Dorsey, External Affairs Coordinator  
Georgia Board for Physician Workforce

RE: Practice Opportunity Fair Confirmation – Memorial Health

Thank you for registering for the **Practice Opportunity Fair** to be held at the **Mercer Auditorium at the Hoskins Center for Biomedical Research** at Memorial Health University Medical Center on Thursday, October 6, 2016.

You will be provided a 6' x 2' draped table and two chairs for your table top exhibits. Due to space constrictions, please limit the number of individuals at your booth to two at a time, and remember exhibit displays are to be tabletop and **not** large floor displays. Your booth space will be assigned to you upon arrival. Also, the resident registration information will not be available until the day of the fair. Exhibitors are invited to contribute one door prize with a value not to exceed \$50.00. If you would like to bring a door prize, please bring it with you to the registration table when you check in that morning. Staff from the Memorial Health University Medical Center Graduate Medical Education Office and Georgia Board for Physician Workforce will be available for any questions.

If you have any additional questions prior to the fair, please contact Daniel Dorsey with the GBPW at (404) 463-6775 or [ddorsey1@dch.ga.gov](mailto:ddorsey1@dch.ga.gov). Regarding hotel suggestions, directions or other local Savannah information, contact Cyndi Arnsdorff with MHUMC's GME office at (912) 350-8302 or [arnsdcy1@memorialhealth.com](mailto:arnsdcy1@memorialhealth.com). Attached is a listing of suggested hotels, campus map and directions to MHUMC.

We look forward to seeing you on October 6th!
