The Georgia Board for Physician Workforce co-sponsors “practice opportunity fairs” each year in conjunction with graduate medical education programs to link resident physicians with employment opportunities around the state. Invited participants are resident physicians of Georgia-based GME programs and any hospital or health system recruiting for practice opportunities in Georgia.

In FY 2018, three physician residency programs across the state teamed up with the GBPW to host four fairs. Below are total figures and a breakdown of participation at each fair.
