

The Georgia Board of Health Care Workforce manages a state initiative aimed at aiding physicians in repaying their educational loans acquired during medical school. The Physicians for Rural Areas Assistance Program offers loans of up to \$25,000 per year that can be canceled through service, provided that the recipient practices in underserved rural areas of Georgia. Contracts are awarded for one year and are renewable for a maximum of four years. The program is financially supported by the State of Georgia. For program details, please refer to the chart below.
