Dear Applicant:

Enclosed are application materials for the *Physicians for Rural Areas Assistance (PRAA)* Loan Repayment Program. The attached Applicant Information Bulletin gives a description of the program.

The purpose of this program is to grant service cancelable loans of up to \$25,000 to physicians to repay outstanding medical education debt in return for medical practice in underserved rural areas in Georgia. Initial contracts are awarded for a one-year term and are renewable for an additional of three, one year terms.

The Board will consider data published in its most recent Physician Profile in determining the relative need of Health Cares in specific rural areas. The Board will then establish a ranking of locations in the applicant pool. Selection priority will be given to those applicants who are physicians specializing in and actively practicing specialties as approved by the Board at their Annual meeting. The board will consider the following criteria, in rank order: *Health Outcomes, Debt, Total Compensation, Specialty**, *Practice Type, Live in County of Practice, Other Loan Repayment, County Rank, and Previous Awards.*

*The board approved the following Primary Care/Core Specialties to be ranked highest: Family Medicine, Internal Medicine, Pediatrics, OB/GYN, Emergency Medicine, General Surgery and Psychiatry. All other specialties will be considered but will be ranked lower than those listed.

Complete the attached PRAA Application, return it with appropriate attachments, postmarked by **November 1st. All application materials**, including completed Lender Disclosure Forms, must be received by this date. Applications will be presented to the Board at the next meeting after the application deadline. All applicants will be notified of award status within 10 days of the meeting.

GEORGIA BOARD OF HEALTH CARE WORKFORCE
PHYSICIANS FOR RURAL AREAS ASSISTANCE PROGRAM

PURPOSE OF THE PROGRAM

The purpose of the Physicians for Rural Areas Assistance Program is to increase access to high quality medical care for medically underserved, rural communities in Georgia.

PROGRAM REQUIREMENTS AND CONTRACTUAL OBLIGATIONS

The Physicians for Rural Areas Assistance Program pays medical education student loan debt of Health Cares who agree to practice medicine full time in a rural community in Georgia. The program provides up to \$25,000 a year in student loan repayment in return for a 12-month commitment to practice in a rural community. Recipients may receive a maximum of four loans for a total student loan repayment of \$100,000.

The Physicians for Rural Areas Assistance Contract requires a commitment to practice medicine for a minimum of 40 clinical hours per week in a Georgia County with a population of **50,000** or less people according to the 2020 Census Count of the United States Bureau of the Census. The practice time requirement can be split between two or more counties, provided that none of the practice location counties exceeds the **50,000** population limit.

The physician may own the practice, or the physician may be employed by a hospital, group medical practice, community health center, or other health care organization. There is no requirement that the practice be a not for profit organization. However, the physician must participate in the Medicaid program, must agree to accept new patients insured by Medicaid, and actively treat Medicaid patients.

Funding is based upon the amount of funds appropriated to the Georgia Board of Health Care Workforce by the Georgia General Assembly. Maximum funding for contracts will be up to \$25,000 each. Funds are disbursed in a lump sum directly to the recipient's lenders.

The Board will consider data published in its most recent Physician Profile in determining the relative need of Health Cares in specific rural areas. The Board will then establish a ranking of locations in the applicant pool. Selection priority will be given to those applicants who are physicians specializing in and actively practicing specialties as approved by the Board at their Annual meeting. The board will consider the following criteria, in rank order: ***Health Outcomes, Debt, Total Compensation, Specialty****, ***Practice Type, Live in County of Practice, Other Loan Repayment, County Rank, and Previous Awards***.

**The board approved the following Primary Care/Core Specialties to be ranked highest: Family Medicine, Internal Medicine, Pediatrics, OB/GYN, Emergency Medicine, General Surgery and Psychiatry. All other specialties will be considered but will be ranked lower than those listed.*

All recipients are required to sign a contract with the Georgia Board of Health Care Workforce agreeing to the terms and conditions upon which awards are granted. This contract establishes the amount of the award, the location of service repayment, the contract date (also the beginning and end date of service), as well as the terms and conditions of program participation, obligated service, and the conditions of default and cash repayment.
