Dear Prospective Georgia Medical Fair Participant:

The annual Georgia Medical Fair will be held on **Friday, September 27**, at the University Center on Mercer University in Macon, Georgia. Physician and residents who are interested in exploring practice opportunities in Georgia are invited to attend. Since the event began more than 30 years ago, over 500 physicians have found practice sites through this event, and we hope that many more will also see the same success through this program in years to come. The event will host over 30 Georgia hospitals from all areas of the state interested in recruiting physicians for current or future needs. **Lodging and travel reimbursement** may be available to registered providers (see details below).

We look forward to seeing you at the 2019 Georgia Medical Fair. Please call 404-232-7972 or email Daniel Dorsey at [ddorsey1@dch.ga.gov](mailto:ddorsey1@dch.ga.gov) with any questions regarding this event.
